

**Carrier Participants in Agent's Standard Ticket & Area Settlement Plan**

All ARC participating carriers, as listed below, have specified their method of agent appointment. Their method of appointment, as described in the Agent Reporting Agreement, Section V, is either one of **General Concurrence** or **Specific Appointment**. A carrier's preference for the latter method, specific appointment, is indicated below by an asterisk (*) appearing after the carrier name. The two methods of agent appointment can be described as follows:

General Concurrence: The carrier appoints all agents which appear on the ARC Agency List unless the carrier notifies both ARC and the agent of a decision not to appoint the agent or agency location.

Specific Appointment: The carrier appoints agents appearing on the ARC Agency List specifically, and will do so by delivering to each appointed agent a written Certificate of Appointment. Under these terms, ticketing using a carrier's validation code is **not permissible** unless done under the specific appointment of the validating carrier. Agents seeking a Certificate of Appointment from a carrier should seek such Certificate directly from the carrier.

Note: Airline codes, shown beneath the carrier name, should not be included in the mailing address.
