New Sabre Community Portal

The Sabre® Community Portal offers Sabre AirCommerce customers a variety of solutions and information on products and services, information on customer events and conferences, training and documentation content, software releases for customers to download, news and more. [Users can access the Community Portal](#) . New users can also request access at this site.

Experience enhanced security and control structure with profiles Sabre ®. As a capacity within the service desk Sabre Red, Sabre profiles allows you to easily store, update, and access to customer information during the booking process. If you want to be one of the first to experience this exciting feature, please Go to [your profile,complete the application upgrade](#). Sabre profiles replace the functionality in the Star Sabre ® Red ™ Workspace. Customers will receive benefits that far exceed those of the stars of today, including:

- Access full profile and visibility throughout the process of buying and booking.
- Seamless integration with Sabre Red capabilities, such as Sabre Scribe.
- Simple graphical features, while allowing the use of formats Sabre.
- Scan efficiency leading to less hits on the system and reduce costs.
- The PCI Security Standards compliant and encrypted credit card fields.
- Administrative controls that assign user roles, permissions and viewers.
- Easy integration with other solutions via the Sabre ® Web Services.
- unlimited space to store information relevant customers, suppliers and agencies.
